Dear Mr Pearson,

Thanks for your letter of the 24<sup>th</sup>. I have absolutely no intention of resigning whatsoever. Everyone has bumped their self righteous guns long enough. I suggest everyone gets on with what they were elected to do which is running the Council for the good and benefit of the residents of the East Medway.

I have had overwhelming support from my Ward residents with no end of ordinary people saying to me "don't you dare resign". These are the only people I listen to now.

Yours sincerely

Dominic Peacock.
