

# A vote of NO CONFIDENCE in Scarborough Borough Council

Petition published by A Scarborough Resident on Dec 16, 2016

## **Background (Preamble):**

Scarborough (North Yorkshire) has, in the last few years, been beset by a series of poor decisions, failures to observe constitutional procedures, failures to follow employment laws and failures to create lawful parking schemes.

All the aforementioned add up to a severe lack of confidence by the population made up of the entire Borough, but predominantly those who live within the historic towns of Scarborough and Whitby.

The problem is thought to lie at the fundamentals of the 'Cabinet' model of local government, which carries out much of its decision-making in secrecy, only revealing plans once decisions have been made.

Officers within the Council are already under investigation for malpractice and illegal activities, whilst the Borough's Legal Department has failed to ensure that all aspects of the law have been followed in terms of traffic enforcement and also ensuring employment laws are being upheld.

## **Petition Text:**

We, the undersigned, wish to state that we no longer have confidence in the present Council Cabinet to manage and maintain services whilst ensuring constitutional and legal processes and procedures are observed and upheld, for and on behalf of the people of the Borough of Scarborough, North Yorkshire, UK.

Please register your vote of "NO CONFIDENCE" in this Council.

### 2464 Bernard

Demolition of Futurist Theatre not needed as it is a much needed asset and attraction for Scarborough

### 2462 Alan

No respect for the people they represent

### 2461 Amy

No confidence

### 2458 Doreen

No Confidence in Council Leader, Cabinet, CEO and all Top Officials, they are spoiling the good name and reputation of Scarborough

### 2456 PHILIP

In my opinion, the most ineffective and inefficient I have ever '[lived under']

### 2454 Neil

Not a local, but have been made aware of your unwillingness to install Electric Vehicle charging posts are there is no desire from local drivers. As a tourist area, you are turning away customers. There is a paucity of chargers in your area making it difficult for drivers like myself to consider making the journey.

### 2452 Ronald

I feel let down by a number of decisions made by Scarborough Council in recent years. I feel that resident's (and voter's!) views are often ignored, particularly by Conservative-led 'cabinet'.

### 2451 john

Lop sided South v North Scarborough attractions and building projects.

The nepotism shown in favour of North Bay is blatantly obvious. What the south side get is years of neglect of an iconic building being torn down at the rate payers expense. As with previous projects millions squandered on an elitist Swimming Park and future restaurants and cinema venture.

The erection of two under used University and College projects which at this rate of attendance will surely fail unless the rate payer has to subsidize another folly.

Unaccountable and bullying by certain members who continue unscathed.

### 2450 Aimee

They are useless and have ruined our town, there is nothing reasonably priced for children to do good or bad weather

### 2448 Jeanette

Too many bad decisions

### 2446 Sue

wasting money on projects no one wants and not listening to the residents.

**2442 Maurice**

I wish to register my vote of no confidence in the leader & also several other members of the Borough Council.

**2437 Michael**

Better future for everyone.

**2432 Harold**

Former Scarboroughian who despairs at the poor decision making of the Council.

**2431 Jessica**

Corrupt decisions such as selling the tourist information centre of such a busy tourist town which was NOT their property to sell, it was gifted to the people of whitby for the good of whitby NOT for another fish and chip shop.lack of maintenance of important historical land marks, we have lived in Whitby for almost 15 years and one of the piers has never been operational in that time and no maintenance has been performed in that time.The only events that promote whitby and the fantastic array of local buisnesses are organised by the same people with no visible input from the council.No money raised by whitby such as the harbour charges or the parking fees are re invested in Whitby.why? Whitby feels like a cash cow to them.I have no confidence in them at all, I hope that Whitby can separate.

**2430 Michelle**

No confidence

**2429 James**

No confidence

**2428 John**

A very strong argument to try and make SBC to deal fairly and openly with the whole Borough.

**2427 Patricia**

Council not working for Scarborough they are working for themselves

**2426 Louise**

Unfair distribution of funding regarding the revenue collected by Scarborough council. Seems to all be spent in Scarborough. Whitby, Bay and area contribute huge amounts of money.

**2425 trudy**

So sad if this building is lost its iconic to Scarborough my grandad used to help here in his later years

**2424 Barry**

I ã m fed up with the underhanded ways of the parking and fines department of Scarborough borough council. My day

in court with them is soon on its way

**2422 William**

Get them out

**2402 Neil**

wouldnt trust them with anything all in it for there back handers

**2401 Andrew**

Self governance required, not by Scarborough.

**2400 Ben**

Kinderland, Mr Marvels, Atlantis all demolished & replaced with nothing. (Alpamare is crap & unaffordable). The Futurist is next. Corruption & greed is slowly killing the town.

**2395 Simon**

Time for Change! Bring it on!

**2393 WILLIAM**

Thieves and liars out!

**2392 Linda**

No confidence

**2389 DAVID**

Futurist theatre.

**2388 Michael**

Many failings

No regard for the people of there constituency opinions

**2387 Lee**

I own properties and businesses in this area.

**2384 Joan**

Decision made by arrogant councillors, who do not speak for me, or anyone else I know. Hand the Futurist to organisations who have said they can run it, and will love and refurbish it.

**2383 Charlotte**

I think Scarborough Council are inept

**2381 Denise**

The Futurist needs to be saved

**2380 Victoria**

I'm a former Scarborough resident with family still in the town. The decisions being made are not in the interests of the town or financially sound.

**2378 Sandra**

I am a very happy resident of Whitby except for one thing! SBC makes my life more difficult for many reasons and the re-location of the TIC was the final straw. The situation with the harbour and piers gets more critical every day. And - at last - Whitby Town Council have thrown down the gauntlet with their vote of No Confidence in SBC at the full Council meeting on 7th February 2017. Hooray!

**2373 Justin**

Where has the money that we as rate payers pay, (higher than that in Scarborough) been spent in Whitby??

**2370 Joan**

Scarborough is our main, beautiful coastal resort. Meeting the needs of all age ranges. If you want the best for Scarborough, You the council members have to give of your best in meeting those needs. Otherwise, we Joe Public, we will be staying away. As word soon travels. We can just as well stay local to home.

**2369 Richard**

No consultation with residents over futurist demolition.

**2368 Carole**

Whitby brings in more money per head than scarborough always has always will so spend the money appropriately

**2367 Christine**

Agree totally! Scarborough looks after itself and cares little about Whitby and it's inhabitants !

**2365 Chris**

Scarborough council only do what they want or to profit about themselves

**2363 Stuart**

No Confidence Out Now

**2362 Naomi**

Scarborough gets all the great facilities. Our swimming pool looks like it's pre war dated compared to others in surrounding areas the changing facilities are incredibly lacking Especially if u have young children. The changing rooms are freezing to the point where the kids don't want to go swimming to Whitby pool.

**2361 Chris**

No longer have confidence in the council

**2349 Karen**

I don't live in Scarborough. But love it there. Have spent many happy times visiting it including the Futuristic Theatre. It's a beautiful building, and brings much needed revenue to the town. It has given work to lots of actors/entertainers over the years which has brought happiness and laughter to millions. It will be cheaper to restore than to demolish it and put in yet another ride or amusement arcade. COME ON SCARBOROUGH COUNCIL GET YOUR ACT TOGETHER AND RESTORE THIS BUILDING TO ITS FORMER GLORY!!

**2348 Brendan**

The Futurist belongs to the people of Scarborough, and like the open theatre can be successful.

**2345 Sarah**

If there's no trust there's no point.

**2343 christine**

time to change

**2335 Wendy**

This council are a joke.

**2331 Sophie**

Keep up the good work!

**2330 Denny**

Our council has totally lost the plot

**2323 Ruth**

I feel the way the Futurist saga has been handled is immoral and warrants both a vote of no confidence and an independent investigation

**2318 Pamela**

I and my family are from Scarborough, I visit them often and shocked to see all the beautiful buildings being pulled down. All because of the council. They have to go. Also my uncle was then organist in the futurist for many years. But no confidence in the council now

**2317 Neil**

Vote the lot of them out.

**2316 Gavin**

Signing on behalf of those trying to save the Futurist Theatre despite council opposition to the gem on their own doorstep.

**2314 Dave**

Very unhappy with procedures and lack of transparency regarding recent decision on future of the Futurist. clearly a deal had already been made with a 3rd party to redevelop the site prior to the council enquiry.

**2313 Michael**

No confidence

**2311 Debra**

I am not impressed with how the council use public money and make major decisions about historic buildings without any regard to the scarborough public. In addition it is clear that underhand deals are made for example: The futurist land being sold to Mr Gibb without allowing any other proposal through the doors to create an effective business plan .  
Alpamare . Kinder land. Mr marvels . Debenham. The list goes on .

**2309 Catherine**

Ignoring what our residents want.

**2305 David**

We, the undersigned, wish to state that we no longer have confidence in the present Council Cabinet to manage and maintain services whilst ensuring constitutional and legal processes and procedures are observed and upheld, for and on behalf of the people of the Borough of Scarborough, North Yorkshire, UK.

**2302 J**

As you can see, I am living in Blackpool but I am born and bred in Scarborough and still have family there who I visit regularly.

**2301 Virginia**

It's about time the council listened to the residents, after all we pay their wages!

**2297 Kevin**

Time for a massive shakeup

**2293 Paul**

Corrupt, corrupt self serving parasites that think they have a damn right to do what they like

**2285 Peter**

demolition futurist theatre.  
conservative club demolition .  
council do not listen to the people of scarborough.

**2281 Chris**

Useless, corrupt, self serving, incompetent, paedophile protecting Algerinos

**2279 John**

SBC has raped the jewel in the crown, replacing the jewels with paste and lies, for long enough. It's time to take OUR town back for the residents of the town. PS I'm a long time visitor to the town and am now resident here. I've seen the town be more and more destroyed by the constant inactivity and misuse of finances raised by Whitby

**2275 Jeanne**

I used to live in Whitby and was brought up when it was Whitby council when we had rights..since Scarborough council has taken over Whitby has had nothing..it's all been about Scarborough. So I am a disgruntled ex Whitby lass..

**2273 David**

Too much secrecy. Why do the same people/companies continue to get the contracts etc this makes for suspicion among the public.

**2267 Harriet**

Some have said do not sign this in fear of retribution from cllr Bastiman, is that not the very point of this petition. Disgraceful.

**2266 James**

I have no Confidence in SBC or Whitby Town Council, they are just in it for what they can get for themselves.

**2265 Alix**

I was born in Scarborough and have lived most of my life here I am truly fed up of the unrepresentative nature of our borough council, it's embarrassing. Time to fight back

**2264 Julie**

No confidence in this council.

**2262 Elaine**

No confidence in the present council to make fair and just decisions on behalf of the Scarborough residents. They do not listen to our views

**2261 Mark**

A total disgrace the lot of them

**2260 Anthony**

Lets have a bit of decency, humility and respect for a change.

**2259 Melanie Virr**

Endless failing and spending of towns people money on non sensible schemes and misleading and questionable

**2258 Antony**

Stop destroying my home town, a town I love and will be coming back to.

**2257 Janet**

The way in which matters relating to Whitby also need in depth investigation.

**2256 Bernard**

Stop Demolition of Futurist Theatre, vote of No Confidence in Leader D. Bastiman and his Cabinet and four Senior Officials.

**2255 Christine**

I support the vote of no confidence

**2254 Jonathan**

I don't want any thing from Scb I think Whitby is big enough to go in depend on it own I believe that would be best

**2253 Neil**

Sbc is the most corrupt council I've ever known they keep saying we don't have the cash to repair Whitby piers but as soon as something is scarboro needs doing they amazingly don't the money

**2250 Ian**

I have noticed the consequences of numerous bad town-centre planning and management in Scarborough over the last few years and I have very little faith in the ability of councillors and senior officers to reverse this trend.

**2248 Richard**

Brought up in Scarborough and my father was the manager. This Theatre should be saved as people don't want to watch a show in the cold weather. It's a fantastic beautiful venue. That needs upgrading . We must not lose it.

**2245 Sam**

Refuse collections in Robin Hoods Bay are a disgrace.  
No thought or care for local people in some circumstances!

**2242 Alan**

As fare as I can see the scar bough council have been failing for number of years

**2235 Dave**

Scarborough is fro Scarborough not Whitby just have a drive around Scarborough & see where Whitby's tourism money is being spent Not in Whitby but in Scarborough

**2234 Margaret**

I feel that the wishes of the Whitby people are overridden by Scarborough, we are the poor relatives with regard to finance. Ridiculous building approvals with no thought to the local population. Funds diverted to major improvements to Scarborough whilst Whitby is becoming faded and looking tired with the added worrying lack of maintenance on the

piers.

**2233 Miranda**

Just damn right greedy

**2232 Tanya**

Scarborough council

**2231 Michael**

Whitby before Scarborough for a change would of been nice

**2227 Peter**

Not good enough!

**2226 Andrew**

Everyone has the right to be stupid, but you're abusing this privilege, SBC.

**2223 Paul**

No confidence

**2221 Nigel**

This council couldn't organise a blow job in a brothel

**2219 Mark**

The scum who run this town need to be ousted so the working people run the place.

**2205 Denise**

No faith in council to do what is the right thing and disregards wishes of voters

**2202 Elaine**

SBC's actions are disgraceful, before long there will not be an elegant architecturally interesting building left. If, due to structural problems, a building has to be demolished the replacement building should be in keeping with the surroundings and of the same material as the demolished building.

**2199 Dave**

Scarborough council lower than a snakes belly one word (corrupt)

**2196 Doug**

Council cannot accept responsibility for demolition & shoring up the dank. To do so will make it a lifetime liability & provides a buyer with everything done for them!!

**2191 Andy**

Absolute waste of space and corrupt council members who do not listen or act on the beliefs of their constituents

**2188 Anne**

No trust at all in SBC.

**2179 Ann**

Time for change

**2172 Lacey**

Hate how Whitby is used to make Scarborough better

**2171 Jason**

I lived in Scarborough for many years, the council has always been a shower of shit.

**2170 Sandra**

Disgusted in the way Raincliff woods have been managed Iver the last few years.

**2168 Helen**

Scarborough council is ruining our lovely town.. There lack of uniting the residents are absolutely terrible .. The town now is dirty along with demolishing beautiful buildings for financial and council gain.. There are councillors who are taking behind the door decisions regarding monies without consulting the local people .. there are councillors who are taking decisions against the will of the residents .scarborough has no confidence in Scarborough council and the decisions are little more than a corruption and behind the doors .. I emailed robert goodwill but he isn't interested in even listening to the residents that voted him in .. I ask you to look into Scarborough council and open the doors to the smell of corruption that is going on . Thank you

Yours sincerely

Helen simcox

**2167 Annie**

What other council would allow the new development in front of those beautiful seaside houses at Sandsend... Criminal!

**2166 Rob**

Not enough room on the page to note all my complaints against the bunch of cretins the so called upstanding citizens within the house of secrets ( Scarborough Town Hall ). Yorkie Gull

**2163 Nicola**

Leave our woods alone !!

**2160 Chris**

Listen to the people that you represent!

**2159 Mike**

Time we were on our own

**2157 Ricky**

Disagree with the way the voting was done for the futurist

**2155 Neil**

No confidence in this council

**2153 Dean**

Whitby out ..

**2152 Dan**

Blatant disregard for planning law. Rules for one and different rules for public. Corruption among planning.

**2149 Stewart**

Whitby needs to be out of SBC all they are doing for Whitby is robbing them. Whitby never receives any funding of Scarborough yet Scarborough mysteriously manage to receive all sorts of funding for this & that.

**2147 Maryja**

Fed up with corruption within, need transparency and sack the thieves

**2145 wendy**

Listening to those who elected you and pay wages should be at the heart of your actions and decisions over the last few years have shown that we are not a consideration in past and future plans.

**2142 Stephen**

I support the vote of no confidence in SBC particularly in respect of their decision to demolish the Futurist theatre.

**2141 Louise**

Whitby clearly needs it's own council, to save it being totally neglected any more.

**2140 Julie**

Businesses rates are killing the business small businesses have to shut because of this.there's no help from the council even have to pay for bin bags .

**2139 Shirley**

Too long has Scarborough benefitted at the expense of our Beautiful, Historic Whitby.  
Enough is enough !

**2132 S**

corrupt!

**2131 Leah**

family live in whitby

**2125 Allison**

Get out of Scarborough now. Let whitby people sort whitby out

**2119 Kerry**

Get Whitby out with sbc

**2113 Andrea**

Start thinking for Whitby and the folk who live in it!!!

**2112 Patricia**

No confidence in Scarborough Borough Council

**2110 Jennifer**

The futurist is part of Scarborough's heritage and culture and should be restored,,

**2107 Caroline**

I am sick of seeing Whitby used as a cash cow, we need more resources and more investment, it's time we stood up for ourselves and demanded some answers.

**2106 Colin**

I have little confidence in any governing Body per say. As far as our present "Scarborough Council" is concerned tomorrow would be too late to be rid of them. Goodbye.

**2102 Billy**

Get it sorted !!!!! Sick of sbc now

**2100 Kerry**

Fed up with being deceived

**2099 Jennifer**

No confidence

**2098 David**

No Confidence

**2097 Peter**

Unbelievably undemocratic

**2092 Alan**

Apart from all their other doubtful activities the Council's decision to demolish the Futurist Theatre is a disgraceful act of municipal vandalism and should be reversed

**2089 Angela**

Repeated bad decisions culminating with the Futurist decision

**2088 Carolyn**

As I have family living in the area I am very concerned that their quality of life is being affected by the inefficiency of Scarborough Borough Council not to mention the mismanagement of taxpayers money.

**2087 Trevor**

This not representing their clients views has been going on for years

**2084 Jools**

Vote of no confidence

**2077 Ian**

Forget cinemas and swimming pools. Stop Whitby flooding. Fix our piers !

**2071 Dave**

Restore the Futurist theatre, don't destroy it

**2065 Colette**

Councilors are elected by those they are supposed to represent...they are public servants...& as such should be open to public scrutiny...all queries of corruption & possible criminal activity should be investigated by an outside body of people without any self serving conflict of interest...

**2059 Ian**

Outrageous the amount of lies and back handlers in Scarborough Council.

**2058 Jeff**

22 to 21 vote is hardly a strong vote in favour of spending Â£4,000,000 of council tax payers money to demolish a theater that could be an up and running asset for far less!

**2056 Thomas**

After I did something very minor 8 years ago, they made out I committed something very serious towards a parking attendant. Because of that I will not live in Scarborough or represent the town in any way shape or form. I had played hockey for Scarborough for many years before hand but because of that I transferred to Kingston upon Hull.

**2055 Jo**

Poor transport times .

**2054 Camilla**

No confidence. Corrupt and ruining the towns history.

**2051 Alison**

Flawed decisions which are not in the interests of regeneration.

**2044 Andrew**

The word 'Cabinet' is enough to ensure the attraction of puffed-up and useless people.

**2042 Paul**

Stop bleeding whitby dry Scarborough council

**2038 Paul**

Get them out!

**2034 Terry**

We are governed by criminals at both the National and Local level and its time the people rose up and removed them all. Those engaged in serious crime should go to jail, those engaged in Treason should be hung in accordance with English Law and Customs.

**2030 Patricia**

This council does not listen to the people who elected them .They need to remember they are each a spokes person for their area .

**2028 Jodie**

NO CONFIDENCE

**2019 Robert**

Lost faith

**2018 Stephen**

Excessive council tax, a lack of services particularly in Filey. Allegation after allegation goes unanswered. Time for a clear out.

**2016 Micheal**

dont think for one minute the council has thought this through they haven't listened to there electors or towns people let the people say what happens not an hand full if misrepresentatives

**2014 Joy**

I am a fourth generation Scarborian who has worked and lived all over the World but always return to my home town of which I am so proud. My late husband John spent most of his life in theatre management and I know that he would be so sad and disappointed at the terrible decision by Scarborough Council to demolish the Futurist Theatre. Now at the age of 97 I feel I may not have many chances left to speak up for another 'Old Girl' who deserves a bit of respect! This tragic decision is the last straw I'm afraid and it should be given more consideration by a Council who care for the Town and it's people.

**2012 Richard**

I am dismayed at the outcome of the recent vote by Scarborough Council to demolish the Futurist Theatre. Yet another of the Town of Scarborough's iconic and historic heritage lost forever. This terrible decision should be overturned and the building restored and used once more for the purpose it was built. It has been shown that this can be done far cheaper than the cost of it's destruction. Thank you.

**2011 Mike**

Total lack of openness and transparency

**2010 Dawn**

No confidence in this council.

**2008 Josephine**

Dissatisfaction with the Present Council No Confidence

**2005 Terry**

**1996 Lee**

**1994 Diana**

**1993 Joanne**

Unbeatable targets. Unreasonable changes

**1992 Melissa**

For a long time now, I have been extremely unhappy with Scarborough Borough Council and the decisions that have been made. I feel that the interests of the residents are left until last and that tourists are put first. While I understand that tourism is, by far, our main industry but I live here and I feel that we're all constantly picking up the slack for

tourists!! Our council tax is among the highest in the country, we pay through the nose for parking and for what? Fortnightly bin collections? A water park that no one can afford? A theatre outside in the cold and the wet? Luxury holiday lets? Projects sold to friends instead of to smaller, local firms? And to top it off, you're now proposing that WE pay Â£4 million to demolish a building that residents want to keep, yet the buyer doesn't foot that bill?! Honestly SBC, you must try harder!!!

**1991 Stephen**

I have no confidence at all in our local councillors. They are making decisions that they have interests in and not what their constituents want. After all it is the constituents who vote them in.

**1986 Louise**

Spending Â£4 million pound to pull down a theatre when nhs needs money school care systems they should hold there heads in same .....

**1985 Deanne**

Absolute joke

**1983 Gary**

The direction this town is being taken in does not fill me with confidence

**1982 Deborah**

Someone offered to buy the Futurist and restore it and re-open it as a theatre/cinema to entertain and attract paying visitors to help the economy of Scarborough. Instead they want to waste Â£4 million knocking it down to sell the plot for Â£600k. That is plain daft and very poor maths!!!!

**1980 Alan**

Get em out

**1979 Christina**

No confidence in the council

**1976 Dylan**

Get em out!

**1974 Beverley**

I am thoroughly sick & tired of SBC making poor decisions regarding the up keep & updating of our town & borough. There has been a series of monumental errors in funding & sale of sites & their perceived upgrading & investments with our money & money allocated from the government. These include the rock armour installation around the marine drive & south bay, the sale of the old Burniston Car park for development of the new swimming pool - which locals cannot afford to use, the complete cock up of our road network around Scarborough town causing bottle necks and now the proposed destruction of one of our beautiful buildings The Futurist Theatre on Sandside Scarborough! How is it even possible to argue the case to spend 4 million pounds to demolish this building when companies have pledged their time & resources free of charge to renovate the building?? The councillors have ridden rough shod over the peoples choices once to often & it is time this was brought to an end!

**1969 Stephen**

invest, not demolish!

**1966 Sharon**

I have no faith in this council doing the right thing for the town

**1965 Me Me**

Corruption cannot hide forever, it will be brought out into the light of day. Greed and lies and bully tactics MUST become a thing of the past. PEACE AND KINDNESS IS THE ONLY WAY TO BE.

**1964 Christopher**

It is scandalous that the Council has forced through a resolution to allot Â£4m to demolish the Futurist Theatre when other vital work in the area has been deemed unaffordable. The Save the Futurist campaigners offered to take on the maintenance of the theatre for no cost to the council. This offer was dismissed out of hand by certain councillors when common sense says it should have been given a chance.

**1963 Rachael**

I lived in Scarborough for 19 years of my life and 5 different council boroughs since, by far they are the most corrupt and incompetent council I have come across.

**1961 Jodie**

Whitby needs it's independence back.

**1959 Carol**

I do not agree with Scarborough Council who were elected by the people as their representative to look after their best interests not to sell off valuable assets.

**1958 Catherine**

A case of "Animal Farm" ??

**1954 Tony**

You are a waste of space. As long as you are lining your own pockets you do not give a damn about this town and the people that live in it! Call yourself a council.....you steal from the people of Scarborough and you do not deserve to run it and make decisions!!

**1948 Karl**

There is an injustice toward the people they are supposed to represent

**1946 Stephen**

Vote of no confidence in Scarborough council

**1943 Lucy**

No confidence

**1942 Michael**

I can have no confidence in a council which, among other things, totally ignores the wishes of its constituents.

**1934 Vannessa**

This Council do not listen to the voice of the people concerning major issues on how our money is spent for the good of the town.

**1932 Stephen**

If you have to hide what you're doing, you're not doing it properly.

**1931 Sam**

As a annual holidaymaker to Scarborough for some 40 years, I am disgusted with, and have no confidence in the Council.

**1930 Bernard**

Every discision made over the last 10 years have gone against the wishes of the majority of people living in Scarborough.

**1924 Nicola**

Futurist theatre decision handled terribly by council. All councillors should have voted on a major decision in the town!

**1923 Margaret**

Ban fracking worldwide

**1922 Andy**

All avenues should have been explored with regard to the Futurist before making a decision to demolish it at the expense of the taxpayers, whilst making making a loss in the process. The Foreshore gardens next to the Futurist are a place for peace and relaxation, hardly the place for a noisy and imposing roller coaster. No confidence in Scarborough council, they should step down.

**1919 Samantha**

You should be ashamed of yourselves! You're a disgrace to the people of Scarborough and surrounding areas. The decision to tear down the futurist when builders have offered to repair it free of charge just shows how much you care about public interest. I have no faith in you at all.

**1918 Laureen**

Those who voted to destroy our Futurist need to stand down. Shame on you. You are not the voice of this town.

**1916 Stuart**

As if the people of Scarborough and Whitby haven't been let down enough. Enough is enough.

**1914 Margarita**

Fed up of national politics interfering with local politics and no-one having the gall to address this.

**1911 Jan**

The people of Scarborough want to keep the Futurist theatre. Scarborough council

**1908 Josh**

Corruption at it's finest!

**1907 Pat**

The Council has forgotten it works for the people!

**1898 Mark**

I no longer have any confidence in the current borough council with regards to their decision making, their integrity and their abuse of power.

**1894 Charles**

Poor decision making with unconvincing and unsubstantiated reasoning, which, in addition, does not take sufficient account of public opinion

**1890 Lynn**

Not listening to their constituents and working to their own agenda

**1886 John**

I think money pours out at projects that have no chance of recovering the initial outlay. Lie the futurist it appears like they'll pay a huge some of money to sort the cliffs but then sell privately for a huge loss to private firms. Also the traffic system in scarborough is a complete joke.

**1884 Martin S**

Wasting council tax payers money

**1883 John**

we can smell the corruption from derbyshire

**1882 Sarah**

They fail Whitby and all that live there.

**1875 Mark**

Fed up of the Council not listening to the people of the town

**1867 Ian**

Enough is enough.

**1866 Polly**

High time for a real change.

**1865 Andrew**

Would like to point out that the 4million could and should be used in funding for social housing aswell as running the futurist as a theatre and cinema properly would generate extra income for the borough that could go towards any number of different projects or toward reducing council tax

**1861 Ann**

No Confidence in Scarborough Council

**1855 Julia**

Shame on you Scarborough Council for this continuous stripping of our beautiful towns heritage and history..

**1853 Richard**

Just shows how untrustworthy they are

**1849 Margaret**

Scarborough Borough council.

**1843 John**

No confidence in this council.

**1841 Steve**

We are a tourist town, yet have no public toilets, no tourist unformation centre, no bus station, no decent cinema, no paddling pool for kids, opera house gone, corner cafe gone, floral hall gone, futurist going. New swimming too expensive for most locals.....

**1838 Norman**

Sbc don't listen to public they a rule to thereselves

**1834 Matthew Stephenson**

**1832 Tony**

I have no confidence whatsoever in the current council.

**1829 Michael**

the councilors I spoke to before voting on futurist and m.o.t. stations were uninterested and uneducated on both subjects

**1826 Elaine**

Uphold the peace please. It is your duty.

**1825 Kevi**

No confidence in councillor derek bastiman

**1824 Jo**

This town needs this large indoor theatre. It is no use saying we have the Open Air one it is far too cold for the elderly to sit out. Also the Spa is dire all you can see is the person's head sat in front of you.

**1822 Tracey**

We have no confidence in bastiman, totally disagree with the futurist been pulled down..bad move!!!

**1818 Anthony**

Fed up with them, constant bad decisions

**1817 Keith**

Corrupt Councillors

**1815 Dave**

Make them all redundant

**1814 Amanda**

Disgusted with the costs involved and the fact it could be saved for less

**1813 Cristina**

Don't let it be too late to save such an emblematic useful building.

**1811 Andrew**

The local council is decimating my town with the aim of allowing large external companies to line their pocket's. None of the so called investments (ie the Sands. The proposed famingo land fun park. The new pool) bring money into the town. These are one stop places.

I had no confidence in sbc, it's offices, or its practices

**1808 Jackie**

So hard to believe these council members have listened to the people of Scarborough I am also very concerned about a lack of transparency

**1807 Alan**

as a scarborough born and bred man I am ashamed of how the council has let the town slide over the last few years, shame on you

**1806 Sarah**

Corrupt, not for the people,

**1805 Susan**

No confidence

**1801 Nigel**

No confidence in these disgraceful excuses of humans, a long line of destruction by these so called public servants

**1797 Carolyn**

Councillors with their own interests at the core as opposed to the town of Scarborough. The recent vote to demolish an historic building as opposed to re-developing the existing building illustrate this.

**1796 Andrew**

No confidence at all.

**1792 Linda**

Sbc are supposed to be carrying out the will of the people that elected them and clearly are not.

**1785 Robert**

Save The Futurist and give the whole borough a referendum on the issue that's true democracy and avoids comments about corruption etc

**1784 Katharine**

No confidence in the Council Cabinet of Scarborough Borough Council.

**1782 Malcolm**

Disgrace

**1781 Kim**

Hang your heads in shame.

**1779 Gemma**

Very disappointed

**1777 Graham**

Must be one of the worst councils in the country. An embarrassment.

**1774 David**

Miss use of people's money

**1764 Dave**

This council does not support the people of the town how are they still here ?

**1761 Stephen**

So many bad decisions made for profit and greed, day by day destroying the fabric of Scarborough. The conservative club and Futurist Theatre are only some of the latest. North Bay and South Bay open air pools destroyed, Destruction of the Pavilion Hotel and the grey concrete replacement the first thing greeting visitors is another example. Londesborough Theatre another example. The council are consistently destroying any building with architectural merit and replacing it with the most bland and depressing buildings that can be imagined.

**1759 William**

They don't listen to the people. It's all about their back pockets

**1758 Richard**

save the futurist!

**1756 Nikki**

The council have no idea what is best for the town they are destroying it.

**1755 Chris**

A must

**1751 Jamie**

I've witnessed enough. Something needs to change

**1750 JEANNETTE**

Do not truly represent the towns view

**1749 Pauline**

Decision to demolish the futurist theatre is surely a wrong one. It would be an investment in the future of Scarborough as a town to visit because "there are things to see and do here, that no where else in the country can provide all in one place." Without the Futurist - Scarborough is greatly diminished - let the Futurist - be the Pheonix that starts Scarborough's rise.

**1748 E**

Due to some personal issues. In addition, the way they've treated the Futurist Theatre.

**1745 Nicholas**

Disgusted!!!!

**1743 Darren**

The police are corrupt, there are warehouse jobs paying migrant workers less than minimum wage and there is very little hope for the future of our children.

**1740 Caroline**

No confidence in this council

**1739 Allan**

ABSOLUTELY NO CONFIDENCE IN SBC.

Preserve OUR town's Futurist Theatre. Start to listen to the local taxpayers.

**1736 Jeanette**

NO CONFIDENCE WHATSOEVER IN SCARBOROUGH BOROUGH COUNCIL,  
ESPECIALLY THE PLANNING DEPARTMENT, RE: VILLAGE DEVELOPMENTS.

**1727 Matthew**

Total disrespect to our town and our heritage.

**1723 Caroline**

SBC are ruining Scarborough by underhanded probably illegal dealings within land sales. The futurist theatre demolition has been a total whitewash. They have not taken in what the people of Scarborough want. We have a outside pool complex built that was subsidised by 9 million pounds of council money our money and yet the families of Scarborough get no subsidy for being a resident yet we paid for this. Also don't get me started on the illegal parking forced on residents in would want an independent enquiry on all matters mentioned.

**1721 Nicole**

This should be won....

**1720 Danny**

You're doing a disservice to the people of Scarborough and surrounding areas & letting down Yorkshire as a region.

**1716 Joan**

i find it very fishy that the vote went as it did with one abstaining how very convenient

**1714 Louise**

Hang your heads in shame Scarborough councillor's . But i hear the truth is coming to bite a few of you on the bottom.

**1711 Barbi**

I am disgusted that you are demolishing Futurist theatre and also not keeping Scarborough the beautiful seaside place it is. Think again or get out and let others who care in.

**1708 Lee**

This council is corrupt. Most of the councillors appear to be local business men and women which has a conflict of interest as they will only approve anything which will benefit their own pocket or business in some way. This has been the way for years

**1704 Michael**

This town needs changes for the better, a change of some councillors would be to the better.

**1698 Shafa**

Present cabinet is totally failed to create the new laws. For parking and job opportunities and most importantly failed to control the commercial and house rents, and not given any single benefit to small businesses.

**1696 Jackie**

Not happy at the proposed over development of the Raithwaite Estate after the last proposal for 64 units being allowed the council said they did not want to see anymore applications from the Estate, but now it's under a "new developer" it's ok to allow 64 lodges 64 cottages 72 apartments another restaurant and leisure facility the new developer has links to the old company this is ancient woodland bordering on the National park it will ruin the character of Sandsend and the area not to mention destroying wildlife habitat with light and noise pollution

**1695 Sarah**

Keep the futurist!! We don't need a bloody rollercoaster! It's going to look out of place and so many people want the futurist to stay! We're just not getting listened!

**1694 Charles**

No

**1692 Simon**

Long over due

**1691 Lorraine**

If only one goes, let it be Bastiman. So arrogant.

**1686 Christine**

Appalling lack of foresight. The council will spend £4m to demolish the futurist and yet can ensure that the town centre looks respectable.

They are only good at one thing -wasting the taxpayers money

**1681 Carolyn**

No regard for Scarborough people .who pays 4 million pound to demolish building then site !!!

**1679 Paul**

specifically the conducting of the Futurist Theatre fiasco for many years

**1678 Alison**

Poor decision to close historic buildings

**1677 Jamie**

Ashamed of the way this town is run.

**1671 Joseph**

Futurist Theatre

**1668 Michael**

A lovely building short of some T L C

**1665 Alison**

In these times of austerity the Council has risked Â£9 million of public money on a luxury private water park whilst closing the existing nearby municipal swimming pool.

**1664 Ian**

Absolute disgrace to allow even more cheap amusements and to loose a valuable old building that can be renovated to its past glory.

**1659 David**

The threat of charging Â£100 to homeless people for essentially being homeless is an outrage. It is an act of hatred from the rich and entitled who have abused and corrupted the power they simply can't let go of.

**1658 Janet**

It's time to get rid of all the negativity of Scarborough so that means getting shot of most of the councillors. They are only in it for their own gain.

**1655 Scott**

My home town, Scarborough, steeped in history and host to a variety of historically and culturally important buildings and sites is being masticated by the SBC's short sighted POAs and their lack of vision for a future that celebrates the unique visage of the town and rather than preserve Art Deco buildings and facades or restore Victorian and Edwardian architecture they choose to abandon it and destroy it and replace it with soul-less clinical modernity. Celebrate the past and let it be preserved for the future; The Futurist was once a vision of things to come and now it is one of the planned demolitions to be erased and confined to the history books only. This is not the way forward!

**1650 Danny**

Another historic building destroyed because of money and lack of council listening to the public

**1648 Tim**

In my eyes corrupt to the core.

**1642 Paul**

Disgraceful decision

**1640 Mark**

unbelievable mis-management of public funds by a short sighted council, members of which seem totally out of touch with public opinion. New leadership is required in order to progress Scarborough as a tourism destination.

**1638 Grace**

Scarborough council are intending on using a very large amount of taxpayers money to demolish the old Futurist building when it could be revamped and made into something the public would use. Where is the logic in this?

**1635 Richard**

Scarborough council are thieves who make bad decisions continually

**1633 Jennifer**

The council just isn't listening to the towns people's wishes and we want restoration and care for some of the old iconic buildings we have not to replace them with a stupid theme park ride !

**1630 Sur**

Do not listen to the people they represent. Decisions behind closed doors.

**1621 Fiona**

One vote in it to demolish such an amazing building is a shambles.

**1617 Helen**

bad decisions and no regard for public opinion

**1611 Dawn**

When you can't listen to the people who elected you then it's time to go!

**1608 Joy**

I was born and brought up in Scarborough, and time after time successive councils have let major architectural site rot until they become untenable, so they can make a quick buck at the expense of our local heritage. Enough is enough.

**1607 Mary**

Fed up of this useless council who serve only to suit themselves

**1605 Karen**

Futurist theatre Scarborough

**1598 Deborah**

Local government ombudsman

**1597 Kim**

Your decision makes no sense. Spending money when someone else has offered money for the building!

**1596 Marny**

Save this iconic building!!!!

**1593 Cally**

Councillors are a shambles!!

**1589 Sylvia**

Need all citizens to vote not just a small number if we want to have representation of popular opinion

**1588 Jenna**

I have no confidence in SBC. They are ruining our beautiful, historic town, year by year. They have never listened to the residents and many of us have had enough. The vote to demolish our beloved futurist has just tipped everyone over the edge. We, the residents have had enough.

**1586 Julia**

self serving councillors

**1583 Fiona**

Couldn't run a bath, let alone a town. The council is a shambolic mess.

**1581 Eric**

How will the council react to the offer by Ken Kitson's friend, to do the necessary work at the Futurist, FREE ? See interview on Monday's Calendar.

**1580 Ms**

Shambles after shambles

**1578 Lewis**

No confidence in this council

**1576 Christopher**

There has to be change. Transparency, honesty and an end to self serving corrupt councillors. We must have better decisions made by those 'representing' our interests going forward.

**1575 Lynn**

No confidence

**1572 David**

Resident of Scarborough for 31 years. Disgusted & ashamed of the total disrespect of this & previous Councils to allow buildings of undoubted heritage listings to be ignored & then destroyed

**1566 Jacqueline**

Not accountable enough to local people

**1565 Jason**

There must be better.

**1564 Gordon**

Something needs to be done about the council cause they don't have a clue what there doing to Scarborough town.....

**1563 Philip**

We don't trust our council anymore.

**1561 Mat**

Scarborough Council's decisions are poor in the extreme, based on inadequate, biased and ill-researched information by some council employees, with all responsibility that of the Chief Executive, Jim Dillon

**1560 Julie**

We vote these councillors in to represent our views but time and again they do not listen enough is enough

**1558 Jonathan**

Save the futurist.

**1554 Denise**

No confidence of scarborough borough council.

**1548 Hannah**

Disgraceful bunch of muppets need to

**1546 Carole**

I have lost confidence in the council because of their handling of the Futurist decision and their indifference to protect blood c opinion

**1540 Paul**

With regard to the Futurist, why waste so much of our money on pulling it down when so many agencies pledged to so much work and even carry out feasibility studies free of charge?

**1536 Stephen**

NO CONFIDENCE in this Council

**1532 Marie**

No trust left in the Council and I don't believe they are listening to the people that elected them.

**1525 Cory**

Terrible

**1521 Mark**

Disgraceful behaviour. They should hang their collective heads in shame

**1516 Lisa**

One word - FUTURIST

**1511 David**

Scarborough Council

**1510 Liz**

Time for change

**1508 Carol**

Lived in Scarborough all my 51 years surely we scarborians should be heard we do not want futurist demolished. It would be a tragedy like opera house and pavilion hotel

**1505 Nicky**

Why don't people listen to residents in Scarborough don't knock the futurist down listen to us!!!

**1503 Stephen**

Scarborough council all on the take still

**1502 Marie**

Leave it alone and get more acts there, restore not demolish

**1494 Darren**

No confidence

**1493 Beverley**

No confidence

**1488 Steve**

No transparency. Statements of deals agreed in secrecy. Borrowing against the wishes of the towns residents. No consideration given to the residents wishes. Independent public inquiry needed in handling of the Futurist pre-arrangements and prior to the recent demolition vote.

**1487 Claire**

So disappointed that it has now come to this! So angry that our council does not believe we can use this money to refurbish a theatre that once was great! Sad to say it but...

NO CONFIDENCE

**1486 Andrew**

i wish this war to stop for all

**1483 Andrew**

Absolutedy no confidence whatsoever in the Council to respect the wishes of the people and look after our affairs responsibly. Cannot believe that the motion was passed to demolish the Futurist Theatre today! This cabinet is ripping the cultural heart out of our town. Ironical that we walked past the former Constitutional Club on Huntriss Row today, on our way try to save another Iconic building. Looks like demolition of that building, in a conservation area, has already started!! You couldn't make it up!

**1482 Amanda**

Resign all of ou. Taking backhanders tut tut

**1478 Julian**

No Confidence

**1477 Ana**

To whom it may concern,

As a native of this beautiful part of the country, I was once proud to be from Scarborough. Nestled between the North York Moors and the North Sea, it is surrounded by beauty. Unfortunately during the last few decades, it has become more and more run down. Why is it that Whitby has been able to become such a beautiful jewel in the Yorkshire crown, whereas Scarborough has been allowed to become her ugly sister?

Shame on you, Scarborough Council. Now, instead of pride it is pity I have of my home town.

**1476 Julie**

Why are our Council making decisions that local residents don't want and tourist numbers don't justify, not to mention completely wrecking the lovely character of our town in pursuit of an apparently unachievable goal to become some sort of competitor to an ultra modern 'ideal' that the town was never designed to be nor will be able achieve, which will no doubt culminate in the loss of visitors seeking to get away from such places. You should spend your time improving services that you should be offering such as responding to customers in less than the 2 1/2 months that I have been waiting for a simple copy or upload to the web of simple planning permissions!

**1471 Sue**

No faith at all in Scarborough Council

**1468 Emma**

No confidence

**1465 Pamela**

Born in Scarborough lived there for 68 years have lived in Somerset for 8 months. Seen what SBC have done over the years. Feel very strongly about the futurist. They can't be allowed to get away with this.

**1462 Josephine**

I am sickened by the total lack of care that this Council with the heritage of this beautiful town- it's scandalous how decisions are made

**1460 Cheryl**

Our local council has no respect for our local history, for its own residents (especially the homeless), or for the children growing up here. In fact it seems they are only interested in their own personal gain, and wasting money. Not to mention ongoing investigations of more disturbing things, the corruption is disgusting and they have been getting away with it for way too many years now, I for one have no faith left in sbc whatsoever. We need drastic change

**1459 Alice**

You need to keep the Futurist alive, give it the revamp it needs and get this venue the love it deserves.

**1456 Laura**

Disgraceful lack of respect, thought and insight for the historical backbone of this wonderful town. We need people who have a vision and a belief that Scarbough has a heritage which must be saved and salvaged.

**1454 Gail**

Disgrace that a historic building The Futurist is to be demolished to be replaced with a tacky theme park atrocity. Shame on scarborough council and shame on the councillors who never even bothered to turn up and vote. Bet you Took your allowances though didn't you? Disgrace

**1452 Kathy**

No confidence at all in the present council.

**1451 Susan**

Futurist and seagull

**1450 Jared**

A council that's failed it's people time and time again.

**1446 Amaya**

The latest decision regarding the Futurist has served to cement my view that Scarborough Borough Council does not have the interests of the people of Scarborough at heart. A beautiful theatre with so much history behind it, and so much potential ahead. Instead, a pathetic and tacky 'Flamingoland Coast'. I'm dismayed and disappointed, but not surprised.

**1435 Christine**

Need a council that work for the people of Scarborough not against them

**1434 Tracey**

Save futurist,no confidence in Scarborough council

**1433 Paul**

severe lack of confidence

**1429 Beverley**

To abolish a piece of history is disgusting, scarborough councillors are a disgrace

**1428 Steve**

Absolute disgrace . What's next the grand hotel

**1427 David**

Disgraceful behaviour

**1422 Steve**

A councils remit should be to maintain & retain existing buildings/areas of beauty & history.  
SBC YOU HAVE FAILED THIS TOWN TIME & TIME AGAIN ?

**1419 David**

Lack of democracy

**1414 Frances**

Disgusting underhanded dealings happening, pre-arranged plans before votes, ridiculous tax increases for no improved services, spending millions of our money to demolish the Futurist building... Need I go on? =(

**1413 Justine**

Biggest mistake ever if this happens, Scarborough council you should be ashamed.

**1410 Clair**

Shocked to hear about the futurist.

**1407 Averil**

you are not listening!

**1406 Louise**

Council don't have a clue what they are doing

**1399 Emma**

The council is corrupt and make decisions that only suit themselves

**1395 Nicola**

No confidence

**1391 Gill**

Unbelievable vote to demolish Futurist!! Rethink needed urgently

**1389 Stevie**

Scarborough Borough council have repeatedly shown they do not care at all about the wishes and concerns of Scarboroughs residents. We love our town and the council are slowly destroying it. They are a disgrace.

**1382 Angela**

Every good attraction seem to be taken away from Scarborough. Are the council ever going to learn

**1377 Gina**

I moved away from Scarborough a few years ago but still regularly visit relatives in the town and every time I visit the town has gone further downhill. , it's awful to see the state of the place..

**1374 Nils**

Sbc are twats

**1372 Jenny**

No confidence

**1371 SUSAN**

Shame...

**1370 Nichola**

I have no confidence in my local government to work for the best interest of our town

**1368 Stefan**

No futher comments needed in my opinion.

**1366 Denise**

Decision on The Futurist - demolition - as voted on today 09.01.2017

**1364 Stephen**

What a disgrace

**1362 Dean**

Only out for there individual self

**1361 Sandra**

Saving the futurist

**1359 Sam**

The corruption and blatant disregard to the general public in this town by our councillors is a down right disgrace.

**1357 Paul**

needs a clean sweep at the top no true democracy

**1356 Chris**

why do you need these things its outdated and gone long under the bridge. I used to live in Sussex and the thing these days is cafes where one can go and talk and enjoy the surroundings

**1354 Janet**

save the futurist x

**1352 Verity**

Save our futurist and history within the town

**1350 Geoffrey**

I am a Scarborough Expat. Futurist must not be demolished.

**1349 PAULINE**

Save OUR Futurist theatre ?

**1345 Fiona**

Save the Futurist Theatre!!

**1344 Paul**

the council is elected to represent their voters and should heed the opinions of so many residents

**1341 Jennifer**

Get rid of corruption NOW.

**1333 Ann**

Disgraceful behaviour by the council over The Futurist.

**1329 Veronica**

Why are the council's officers refusing to demonstrate that they are listening to, and acting on the resident's concerns?  
A whole catalogue of appalling decisions imposed on residents  
From beautiful  
Whitby being allowed to deteriorate in front of our eyes due to lack of essential maintenance, to the disgraceful threat to  
The Futurist in Scarborough.  
How can we have any confidence in this council's intention to act in the best interests of residents when it is making  
decisions that impact on all our lives in secret?

**1328 Brian**

You do not have my vote , confidence or mandate to destroy this beautiful theatre which will be an asset to the  
residents of Scarborough for generations to come. You do not have the right to go against the wishes of the electorate  
Brian Jackson

**1320 Christine**

Futurist should remain and be refurbished

**1319 June**

I cannot understand how the council could consider demolishing this old wonderful theatre. They seem to forget that  
they are on the council to represent the people of this town but they are doing the reverse. The Flamingo plans will  
destroy the lovely gardens that front the beautiful town hall. Scarborough needs a big theatre to attract major shows as  
do other resorts. The building is large enough to incorporate an area dedicated to the full history of our town and its  
residents. SO MANY local businesses and many national organisations are prepared to help as are many volunteers.  
LISTEN TO YOUR RESIDENTS, don't destroy almost our last lovely building and asset, once refurbished.

**1316 Janet**

BETTER TO BE REMEMBERED AS THE HERO WHO SAVED THE FUTURIST, THAN THE DUMB ARSE THAT  
DESTROYED IT.

**1298 Jackie**

Allowing the Futurist to fall into a bad state of repair and totally ignoring the voices of the public

**1297 Terry**

This is an asset my home town bridlington has been destroyed by letting assets disappear.

**1294 Jon**

The last thing Scarborough needs is for the Futurist Theatre to be demolished to be replaced by an amusement!

**1289 Andrew**

Over represented for a town this size. Borough could easily function with far fewer.

**1288 Denise**

Useless & far too many Councillors for a town of this size.

**1280 CASSI**

Re-elect the entire council committee

**1278 Maureen**

We need to keep and renovate this wonderful theatre. When decent events were booked the theatre was totally full.

**1276 Brian**

A theatre will bring in more visitors all year than a fairground ride. Take a leaf out of Bridlington's book, look at all the visiting stars.

**1275 Georgina**

Brilliant campaign

**1274 Jennifer**

What use is a fairground ride in winter for a 72 year old, give us a theatre.

**1273 Peter**

Fully agree. I lived in Filey and nothing every spent there and never will until we have changes.

**1272 Justine**

I vote NO CONFIDENCE in Scarborough borough council

**1271 Susan**

Respect the wishes of SCARBROUGH and FILEY people!

**1270 Karola**

Power to the people

**1269 John**

Retain the Futurist, NO to a rollercoaster

**1263 Janet**

Keep the Futurist open for the people of Yorkshire to enjoy

**1262 Carol**

Time for change of personnel all round

**1259 Graham**

There has to be an end to the dictatorship in the Scarborough Council operations.

**1256 Helen**

Amazed at all the help offered locally to resurrect the stunning futurist. Do not demolish this amazing building

**1255 Peter**

No confidence in sbc

**1248 Jennifer**

It annoys me that Scarborough Council may take our money for council tax, but any big spending, sea defences, health centres etc go to Scarborough & Whitby & Filey gets nothing!!

**1247 Paul**

Think of the history of the theatre that will be lost the council needs to rethink what they are doing to Scarborough and to the tourist trade in have a lot of fond memories of the theatre and lot of famous people who have played there

**1240 Sandra**

I have no confidence in Scarborough Borough Council not since Councillor Don Robinson (Flamingo Land) was allowed to erect the steel supports for his ski lift and left them there to rot.. A public disgrace

**1236 Lyn**

Out! Out! Out! Get rid of the self serving council, give the people thier voice, no back handers, no corruption, no illegal deals.

**1235 Brian**

Having worked at the Futurist for approx. 30 years man & boy, latterly as stage manager, I want to see it continue.

**1233 Helen**

.

**1232 Jan**

Scarborough council has been corrupt for years.

**1231 Peter**

We need a decent indoor theatre ! Not old fashioned rides and entertainment. Already got a crazy waterpark, partly at taxpayers expense, that will never pay for itself. Stop this lunacy.

**1214 Kate**

Pass more money to invest in Whitby

**1209 Robert**

Our heritage

**1208 Sarah**

Save the futurist theatre

**1206 Keith**

About time this corrupt council listened to what the people of Scarborough want.

**1203 Michelle**

Save the futurist

**1202 Sandra**

Born Scarborough. Appalled at the Council's plans for the Futurist. MUST be saved

**1198 Elaine**

It's time the council Listened to the People of Scarborough. With such a majority supporting the Futurist they should be with them not against them regardless of any potential bullying on the cabinet. Get rid of the bullies.

**1195 John**

We, the undersigned, wish to state that we no longer have confidence in the present Council Cabinet to manage and maintain services whilst ensuring constitutional and legal processes and procedures are observed and upheld, for and on behalf of the people of the Borough of Scarborough, North Yorkshire, UK.

**1190 Tom**

Save the futurist

**1188 Alan**

I think its disgusting the way things have been handled over recent months

**1181 Keith**

I am very concerned that the currently elected Conservative majority in the council is using it's political might to unreasonably promote the destruction/demolition of The Futurist Theatre for no immediate benefit or gain to the residents of Scarborough. It appears that commercial interests outweigh all other considerations. I feel the Scarborough resident is a very low priority in the current councils thinking.

The town already provides extensive facilities for tourists, not least the recent eyesore - the Water Park. This building can be viewed from so many beauty spots along the coastline. To increase the number of eyesores with the current Flamingo Land proposals will leave the councillors open to accusations of wilfully destroying beautiful landscapes and the councillors, by definition, become nothing less than elected vandals.

**1176 Steve**

No confidence in Scarborough council

**1174 Corinne**

A complete disregard of the wants of the people - especially with regards to the Futurist.

**1173 Julie**

Appalling lack of flexibility to accommodate the needs of the borough (with particular reference to waste collection and RHBay

**1172 Lesley**

The decision to demolish The Futurist is unwise and appears to have been taken behind the backs of the people of Scarborough. It is a fantastic venue that deserves to be refurbished not demolished and replaced by a tacky fairground ride.

**1170 Tony**

Futurist should be restored a classic theatre not more amusements surely enough already . Quality in the resort will attract visitors with money to spend .

**1160 John**

Incompetence seems to be a pre-requisite these days to be a politician!

**1149 Andrew**

The council need to respect the wishes of the constituents (or at least start listening to them!)

**1148 Gillian**

Do not demolish this building. Scarborough needs a lovely venue for entertainment

**1147 Andy**

This a unusual move on sbc part you usually let places rot

**1146 Tamzin**

Small number of councillors determined to bulldoze futurist theatre, despite opposition from voters and colleagues. Strong whiff of coercion if not downright corruption.

**1144 Val**

This is the formal result of many years of arrogant mismanagement by people who are misled into believing themselves above their constituents.

**1135 Andrew**

A disgraceful display of arrogance. Listen to the people.

**1134 Col**

We need a change. We need to move forward.

**1130 Sue**

Keep the history alive and renovated. Too much gets demolished. Keep old and a bit of new, so future generations dont

loose their past

**1118 Alison**

No more wrecking of Scarborough 's heritage

**1115 Norman**

Leading our town downwards.

**1113 Irene**

Scarborough used to be a lovely town but the council have ruined it with nothing being put back

**1108 Simon**

Sick of the council destroying the town

**1107 Ariane**

The Council is shameful. Where to start.. potholes, cones used As central reservation, crooked traffic wardens, suspension on parking to suit tourists rather than the local people. Everything in the town is for the benefit of the council & tourists, keep it local! Corrupt is a light phrasing! Change is needed.

**1105 Ruth**

This is sad ;(

**1100 Brian**

WANT MORE TRANSPARENCE

**1098 Michael**

The council is corrupt as they come. Something serious needs to happen in order to straighten it out and to get the greedy councilmen & women out of there.

**1095 Sean**

Love Scarborough, save the Futurist theatre!

**1089 Victoria**

NO CONFIDENCE this is heart braking such a beautiful place

**1086 Lauren**

Save the futurist

**1081 Valerie**

The decision on the future of The Futurist should be an open and democratic one. Councillors should consult and inform the people in their Wards. I strongly believe that The Futurist should be saved and restored to its former beauty, thus

enhancing the surrounding area and providing a suitable venue for the mega musicals of today, as well as for Ballet and Opera. Local people would greatly benefit and the attraction of more visitors to the town would greatly benefit the local economy.

**1078 Nicholas**

I am most concerned with the process and procedure followed by the council. I believe a vote of no confidence is justified based on the belligerent attitude shown by certain council members and the many failures and what appears to be strange decisions which have been made in recent years. Many of which which seem to go against the wishes of the Scarborough residents and are also not in keeping with the long term best interests of Scarborough..

**1077 David**

They don't care about what the public want. Sack them all.

**1075 Joan**

Do not demolish the Futurist Theatre.

**1074 Dan**

Develop the Futurist Theatre. No more fairground rides

**1073 Ziggy**

Develop the Futurist Theatre. No more fairground rides

**1072 Ian**

Do not demolish the Futurist Theatre.

**1071 Stephen**

Develop the Futurist Theatre!  
No more fairground attractions it's not the answer

**1070 Danusia**

No more fairground type attractions. The town needs high quality classier establishments starting with the development of the Futurist Theatre as a top quality venue with a superb restaurant

**1068 Craig**

Scarborough doesn't need a Flamingoland/another fairground attraction. Who wants more roller coasters etc?  
Develop the Futurist to be a high quality theatre with a top restaurant. Bring the top acts and shows to the town. Look at Whitby as a bit of a model with their classier small bars and restaurants.  
The town has a chance to modernise and begin bringing in classier venues starting with doing the right thing and developing the theatre!

**1067 Guy**

Maybe the futurist has had its day but the proposed funfair replacement is totally in the wrong place. It is out of scale on this site and should be on the north bay pool site. In my opinion the council is showing a lack of joined up thinking and

appears to operate in panic mode throwing our money around at projects that are mostly shrouded in secrecy and of questionable merit. We will be left with the legacy when they are long gone.

**1066 Robert**

Couldn't agree more the council are not doing right by there constituents.

**1064 J**

No confidence

**1061 Carole**

No 6 members of the council should be able make a decision of such magnitude. This should have been put to the residents in an open meeting, so that those who have strong views on the development of the town. have a chance to state their views and put forward alternative ideas regardless of political party.

**1060 Ernest**

scarborough council allways has been less than transparent

**1058 Eileen**

No confidence in local Tory council

**1053 Carole**

No regard for Scarborough or the views of the residents

**1052 Kim**

no confidence in the council, all corrupt

**1051 Patricia**

No Confidence in Scarborough Borough Council

**1047 Anne**

Disgusting proposal to close the Futurist

**1046 James**

Council should not close the Futurist

**1044 Jayne**

Have felt strongly that our lovely seaside town and surrounding area is being mis-managed by a self serving arrogant highly suspect bunch of Councillors. Councillors who refuse to engage with the public, fail to answer letters and emails and appear to hold those they should represent with absolute contempt!

**1042 Eileen**

Why not ask Prince Charles to support you. He is interested in old building that need saving. it was just a thought i had that might do some good.

**1041 Pauline**

We cannot afford to have any areas of Local Government who are not Honest, Open, Transparent and Democratic. We Fought too hard for the right to vote to let those elected work for their own ends. It is happening too often at Parish, Borough and Town Council levels where they have no regulatory body and we need to eradicate it.

**1039 Michael**

the council cabinet needs to be more transparent in decision making,

with officers already under investigation perhaps a public inquiry may be called .

**1037 Melanie**

you are supposed to represent the people and do the best for them. start doing your job.

**1034 Charlie**

Kinderland closed  
Peasholm park ruined  
Rubbish sea wall that cost Millions  
Closure of corner caf    
The Sands development - were they practically gave Benchmark the land  
etc....etc...  
Scarborough is all about History - SAVE THE FUTURIST

**1027 Chris**

Everyone knows corrupt Council officials are in the pockets of business. Save The Futurist and stop the demolition of the Constitutional Club on Huntress Row to make way for Premier Inn expansion.

**1025 Alison**

We have a holiday home in Scarborough. Restore the futurist as a theatre. Mr flamingo land can build on a more appropriate site.

**1024 Liam**

Save the futurist

**1023 G**

Serious concern over the low standards and general lack of aptitude regularly exhibited by Members.

**1010 Siobhan**

No confidence...to much corruption

**1009 Julie**

appalling behaviour by council lost all trust in them.

**1008 Sheila**

Councils must be made to follow the code of conduct to restore democracy at a local level.

**1006 Kris**

The poor decisions that have been made in the town of Whitby by sbc. The town piers are a huge problem. It's interesting to find where millions of pounds worth of government funding for the piers as well as the money from the grand tour has gone?

**1005 Adam**

Useless

**999 Ken**

The fantastic Futurist should be saved and invested in. Please don't destroy this wonderful asset

**996 Gail**

I've lost all confidence with my council

**995 Jay**

A disgraceful council that puts residents last and its councillors first

**991 Maureen**

Listen to the voters! Be accountable!

**989 ANDY**

Fed up of this corrupt shower destroying OUR repeat OUR town.

**988 Ian**

Without doubt, Scarborough Borough Council is the worst local authority I have had the misfortune to live in.

**987 Deborah Elias**

I was born and bred in Scarborough and lived there for 30 years, my mum still lives in the town and I visit on a regular basis. I have very strong views and so I am signing this petition

**982 John**

I have followed this situation for some while so have no hesitation in supporting this petition

**980 George**

Sort it out FFS!

**971 Don**

Councils need to serve the community and be answerable to their employers ....the public

**969 Sarah**

No confidence

**966 Jon**

I have ongoing issues with Scarborough Borough Council which I have taken to the Ombudsman(complaint reference 201517715) regarding work at Eskholme Flats,Upganglane ,Whitby,YO21 3DT,so I will gladly sign this petition of no confidence,even two visits to the council office and a meeting with Lisa Dixon who apparently is a director have brought NO satisfaction to my complaints.

**964 David**

No confidence whatsoever.

**960 Wayne**

NO CONFIDENCE!

**955 Kerry**

No confidence

**954 Nicole**

Even though I no longer live in Scarborough, I have friends and family that do and I would like to move back eventually.

**950 Carol**

I was born in Scarborough and only move away to work. I still consider Scarborough my home town and when I visit my family who still live there, I find myself very disappointed with the council's decisions. The council appear to ignore the general consensus of the public and do their own sweet thing at the detriment of local area. The latest council behaviour that deplores me is their decision to drop the Futurist Theatre and allow it to be replaced by a rollercoaster, why??? Apparently that theatre could be renovated for less money than the cost of demolition. If the right renovation went ahead large productions similar to Lion King could go ahead bringing in the revenue so badly needed, all year round for tourism.

**944 Rachel**

I am signing this because my elderly mum and my brother (who has mental health problems) both live in Whitby

**942 David**

Totally corrupt hang your heads in shame

**937 Stuart**

Disgracefull behaviour

**932 Caroline**

Where my family is from, one of my main memories of come to Scarborough is going down the front and sitting on the steps eating fish and chips

**926 Isobel**

It's time for fresh faces, new ideas and someone whose heart belongs to the people of Scarborough. The people here have felt for too long that no one listens or cares.

**922 Nigel**

All of the above plus the recent MOT take-over scandal

**921 Paul**

All of the above plus countless other issues to many to mention.

**909 Phil**

Its time that these decisions made behind closed doors stopped, the people want to see democracy in action, they want to be heard, you are elected representatives or employees of a public body and honesty is a mandatory requirement for public office.

**905 Teresa**

Fed up of Scarborough being run to the ground by incompetent council members.

**904 David**

When an offer to do this place up is available just to knock it down is totally stupid especially in a sea front site of a tourist area.

**897 P.**

Futurist

**892 Neil**

they never work for the benefit of the locals and sick of all the corruption about time we had people we can trust

**891 Gordon**

Time for change no confidence in this council.

**890 Craig**

The corruption that is taking place and being covered up at and by this local Government is staggering. The cabinet responsible for the effective running of this corporation need to be removed asap ,as they are not fit for public office.

**887 Kev**

Bunch of hypercritical and CORRUPT halfwits

**886 Adrian**

I surely would be out of business if I operated like the council cabinet.

**878 Anthony**

I personally believe in my own opinion that this is the most corrupt council there is.

**877 James**

Let's get a council in that works for us, not for themselves!

**876 Andrew**

scarborough biased and corrupt

**864 Jean**

I no longer have confidence in Scarborough Borough Council

**861 Mandi**

spending all the money on a water park in scarborough but yet wont pay for whitby harbour that is desperate need to be repaired

**859 Vicky**

Poor proformance for years, they should have listened to advise years ago

**858 Nick**

Hopefully a change would stop the brown envelopes, bribes and other criminal activity the councillors get away with.

E.g.

Double dipping

Money sent from flamingo land to the Conservative funds

Poor management in several area

Loosing facilities in Scarborough

Football ground

Futurist

Kinderland

Marvels

Cheap affordable outdoor pools

Over priced car parking

Black fish corruption

Sea wall defence rip off

Jaconelli scandal

This list could go on forever

**851 Julie**

I, the undersigned, wish to state that I no longer have confidence in the present Council Cabinet to manage and maintain services whilst ensuring constitutional and legal processes and procedures are observed and upheld, for and on behalf of the people of the Borough of Scarborough, North Yorkshire, U

**849 Conor**

Poor decision after poor decision, not listening to the public of Scarborough are just a couple of reasons for my signature to this petition.

**848 A**

Story after story after story of corruption in SBC.. and bad management or resources as well as not listening to the residents. It's time to bring ethical people on board who wish to serve their communities for the benefit of all. Transparency and truth please.

**844 James**

Scarborough have a an unhealthy vendetta against Whitby and always have. They won't rest until Whitby is turned into a run down council estate. The housing developments that have been built recently are truly hideous. Enormous modern blocks of council flats overshadowing quiet cul de sacs, really makes me angry at the corrupt officials currently in office. Please oust Scarborough council from playing any part in Whitby's future, just because Scarborough is total shit hole, stop trying to drag us down with you. Good riddance!

**842 John**

No confidence whatsoever

**839 Janine**

Even though I am now in Blackpool, I was born and bred in Scarborough and still have a lot of family living there. Scarborough is turning into a ghost town, thanks to SBC. Get them out and elect a council who CARE.

**832 Mick**

No confidence in Scarborough Council...

**830 Jane**

Lies, deceit, self-interest, and corruption. Out, out, out!

**828 G**

Disgusting behaviour.

**822 L**

we need people in place who really care about the area and are honest ~with a passion for doing the job correctly

**821 Chad**

Corrupt. Favouritism for Scarborough improvements. Nobody represents whitby enough.

**820 Graham**

Let's get out of Scarborough

**819 Debbie**

Please save our town

**813 Judith**

The current debate over the Futurist sums the problem up beautifully. Go to <http://www.labour4scarboroughandwhitby.net/> to see what the Labour councillors think. High time for Scarborough to have its own town council and then we can be rid of the pointless expense that is SBC.

**812 Frederick**

start running the town for the people and what they want and not your own financial gain!!

**811 Naomi**

Never had confidence in our council feels like they're in it to ruin a pretty town

**804 Gillian**

The current council does not appear to recognise that they are supposed to serve the people. The way that they have communicated decisions regarding the Futurist theatre demonstrates this.

**800 Sam**

Narrow minded and blinkered

**791 Cai**

This council needs a good shake up from the top. It's time to put residents before tourists and provide adequate facilities for families at a price that doesn't cost a weeks wages for a day out. Time to put more money into Whitby and protect our historic town rather than spend all the money in Scarborough. It's time for change. I Have no confidence in this current council

**790 Deborah**

No confidence in the whole council

**787 Kathryn**

Historic town of Scarborough? .....ruined.....now demolition of old conservative club on huntress row approved.....it's not what residents want.....

**786 Hazel**

Open honest and thorough investigations needed because too much goes on behind closed doors. Time to put the people of Scarborough before personal gain!

**785 Margaret**

I am a Scarborough who lives in Italy and follow the vicissitudes of Scarborough very closely. For this reason I would place a vote of non confidence.

**775 Ben**

A vote of no confidence in Scarborough Borough Council and its Directors.

**772 Robert**

Scarborough Council have ignored the wishes of the people on many previous occasions and the debacle over the Futurist has shown they are still not prepared to do so

**771 C**

No transparency. Not a care for the residents of Scarborough. Totally objective investigation should be carried out and council leader should resign

**770 George**

Thank god for the North Yorks Enquirer website!

**769 June**

Vote of no confidence in Scarborough borough council

**767 Karen**

Labour councillors now is your time to have an honest council. So many heads need to roll due to cover-ups, unanswered questions regarding Ben Marriott Tribunal which amazingly didn't make front page news. Also the pending decisions to made regarding the Futurist Theatre support Sam Cross call in the Police.. Thorough Investigation for the Poll Tax payers of Scarborough , Whitby, Filey,,

**763 Lizzie**

Futurist Theatre

**762 Steven**

Dual homes, one being in Scarborough, I cannot recall a good substantial decision recommended by the SBC in the last twenty years.

Too many tales of incompetent decisions made by the, shall we say senior management, too many cover ups, many more coming into the public domain.

Enough is enough.

The town is a laughing stock, I have many friends around the country, most see comments in Private Eye, some following articles in the press, ask me if it really this bad, I have to admit that it is a total joke.

**761 Tony**

Enough is enough!!

**760 Leigh**

A council is elected as the ruling body of a local area to make decision impartial and to the benefit of the town and the people that live there.

Scarborough council's values seem the opposite. Instead of helping a town. The council seems happier to create a dictatorship. I vote for no confidence and would like to see a full inquiry into the conduct of scarborough council and a full investigation by the Local Government Ombudsman.

**759 Steven**

The leaders have no respect or regard for the electoral, using the publics money for whatever suits their purpose, waisting money on unnecessary legal action, is Lisa Dixon a solicitor or a pupit on a string because she never acts like one in my opinion!

**755 Carl**

I am signing this because this council failed my son. They were summoned to court by a judge and never showed up with no valid reason. The only people SBC care about is themselves. It's time they started thinking about our community and bringing families back together instead of tearing them apart. I have no confidence at all in the current council that runs Scarborough and Whitby.

**752 Stan**

This police force need to be independently looked into,it is run by corrupt senior officers.

**750 Alan**

shameful behaviour and it is time the people of this country stopped you horrible peoples sense of elitism once and for all...

**743 Michael**

Poor value management masked by a contempt for the tax payer.

**731 Heather**

Lack of transparency, decisions made behind closed doors, processes and procedures not followed, knee-jerk decisions made that fly in the face of public wishes, lack of proper consultation, public opinion treated contemptuously, no vision for the Borough.....etc etc

**725 Rob**

Could not agree more

**722 Susan**

Seems to be lot of strife between governors and governed, needs sorting.

**720 Wayne**

Criminals it's that simple!

**719 Sheila**

Lack of consultation with elected Councillors.

**711 Patricia**

I have been advocating this for a long time. At last I hope that we will go back to the long tried and trusted democratic style of local governance.

**710 Mick**

Do as we say, not as we do. We know what is best for you.

**706 Tony**

Let's see some honesty!

**704 Maggie**

Scarborough is my place of birth and special town. I have seen so many ridiculous decisions by the local council I have lost count of them. Get them out and get some decent socialists in!

**700 Glenn**

Too many years of neglect for our beautiful town. Too many people in it for themselves rather than for the borough, and some very shady goings on with Peadophiles And The Morrally Bankrupt becoming Aldermen.

**695 David**

Too many poor decisions made. No confidence whatsoever in this council.

**692 Rachel**

Get the Tories out

**687 Chris**

council has a history of money losing ventures

**686 Sheila**

No confidence in Scarborough council

**685 David**

The majority of Whitby residents never wanted to be part of Scarborough, and they still don't, democracy is "the will of the people", not dictatorship.

**681 Joyce**

Why was The Standards Committee disbanded, and why is there so much secrecy with this Council?  
Why do they so often go against Government guidelines as recently seen re taxi issues?

**678 Ray**

Nothing should be hidden from the local townsfolk community.  
Scarborough is all about the people who live in it and what they want.

**674 Richard**

Recalling that East & North Yorkshire were a unitary Authority and that the footprint of SBC does not stop at a line on a map.

**670 Vincent**

these useless, fraudulent and totally corrupt people need to see the inside of a jail cell sooner rather than later for their actions which in my experience have gone on for a minimum of 15 years and still ongoing. its long overdue that these people get what they deserve-the ombudsman are doing absolutely nothing and i want to know why??

**669 Andrea**

Was thinking of buying a property and moving to Scarborough but i thought again due to fracking !

**668 Tom**

Renovate and reopen the Futurist is the best option.

**667 Susan**

Reopen the Futurist.

**666 Steve**

We need a new Council, not these clowns!

**663 Peter**

Far to much secrecy

**659 Alistair**

I dont think that the council should be spending Â£4m of our money to clear the futurist site and then let Flamingo Land build a tacky fun fair type attraction. The see front will end up looking like Blackpool or that other resort down the road that begins with a B.

**658 Elliot**

Not happy with many of the current decisions especially demolition of the historic buildings Conservative club and futurist. Also why build a cinema and flats on a site that should have an outdoor attraction on it (North bay) IMHO council has lost the plot

**657 Guy**

IMOH SBC do not support the wishes of many of the electorate

**656 Peter**

You are corrupt and do not represent any of us, you are there by default, you belong to a criminal treasonous conspiracy and need to be arrested at once you are all traitors GET OUT

**652 Tim**

Scarborough has been raping Whitby for years. Enough is enough, start spending money that you receive from Whitby on Whitby!!!

I must also comment on The Futurist Theatre. I have researched and read a number of items about this. My conclusion is that hidden behind that disgusting cladding (questions should be answered why it was put up in the first place) is another beautiful example of our heritage. Throughout the country, councils are destroying our history forever, and for what - modern progress? No! Questions need to be answered as too many decisions are made behind closed doors, against the will of the people and because of influence by outside parties. I have been reading and hearing about donations to political parties, about friends with funny hand shakes. Why can't people just be honest, serve the people and their wishes. Please, please keep our beautiful historical towns intact before it is too late!

**649 Nick**

In Whitby we want a referendum to opt out of Scarborough Borough Council control.

**648 Niall**

Not to mention their determination to ignore public opinion and try to close Whitby Tourist Information Centre. See [www.Fight4Whitby.com](http://www.Fight4Whitby.com) for more information.

**647 John**

As someone that lived in Scarborough for over 20yrs I fully back this...

**644 Peter**

There is a lack of transparency in the council cabinet's decisions. Far too many problems to list painting the South Bay open swimming pool wall and floor and filling the pool before noticing the health and safety issue was the beginning. continued down sizing of the tourist information centre until it disappeared

The cabinet assuming the right to knock down the Futurist Theatre without being prepared to justify why, or what they see as the advantages of their chosen replacement.

apparent Â£250,000 legal bill to try to defend their constructive dismissal of a whistle blower.

A councillor crudely questioning the intelligence of a resident for assuming that after lending millions of pounds to a new water park development the council would have some interest in its pricing structure.

Whilst many people preferred the building of a cinema complex on the North Street site, the council ignored it, without giving reasons, for their favoured site away from the town centre.

bathing huts where the lido used to be. One also wonders why a compulsory purchase order hasn't been made for the old sea front hospital.

**643 Dave**

Cabinet members should be transparent and respect their electorate

**637 George**

Too much secrecy and very bad decisions

**635 Councillor Andy**

As an Independent East Riding of Yorkshire Councillor I fully support this petition

**632 Jackie**

I have no faith that the majority Tory led cabinet has the borough's best interests at heart.

**631 John**

Total incompetent so hide activities behind closed doors; not the way to run a UK local authority. We want openness and honesty and a Council who know how to listen.

**630 Gary**

Endless

**628 Daniel**

Need to see more transparency that revenue from Whitby is being spent on Whitby and nearby surrounding areas,

**626 MARTIN**

FOR MALPRACTICE

**625 Sue**

The state of our Piers The loss of our Tourist Information. The money from parking fines unaccounted for. The money from The Grand Tour undisclosed. The list goes on....

**622 Penny/Phill**

A complete waste of tax payers money

**621 Jon-Edmond**

Stop selling our towns assets off and spending the revenue elsewhere! In fact just stop selling off our parishes assets! You charlatans.

**618 Simon**

The council seem set on wrecking Scarborough to line thier own pockets

**617 Harry**

This council has for years ignored local opinions and done exactly what it likes and on numerous occasions like now have been associated with unlawful acts. These people should be brought to task the same as anyone else if the law has been broken so that we the residents in this lovely town can live in a democracy not a democratic dictatorship.

**612 Julie**

Filey.. the forgotten town within the borough. Forced but never comsulted

**610 John**

Council needs fully and publically investigating as the petion states.

**608 Thomas**

The council is not listening or reacting to local voting or needs

**606 Tony**

It has become very clear to myself as a very concerned citizen of this Borough that the Conservative Cabinet on SBC are just not fit for purpose. The lack of transparency and openness is disconcerting to say the least.

**605 Barry**

councilors motivated by self interest where business in the borough is concerned

**603 DIANE**

This council needs to listen to what the people wants instead of receiving back handers for deals to take place. Make Scarborough what it used to be instead of ruining it even more !!!!

**596 Adrian**

I'm signing this petition because I was born and grew up in Whitby and every year I come home and see what an appalling situation Scarborough Borough Council continues to put Whitby in.

**593 George**

Derek Bastiman lied to me in order to strengthen the Council's position following my complaint about a senior officer. If he can look a local ratepayer straight in the eye and blatantly lie then he may be capable of lying to anyone on any matter.

**591 Keith**

This Council for year's have wreaked our town.

**590 Robin**

Failure to use monies raised in Whitby for local benefit. Tourism, piers, harbour, all needing more assistance. Scarborough is a rival to Whitby, conflict of interest.

**589 Sylvia**

As a regular visitor to Whitby I am sad to see the neglect of the town by Scarborough Borough Council, most recently the closure of the Tourist Information Centre.

**585 Bryn**

Never listen to our views

**584 Claire**

A council of corrupt and out of touch councillors. They focus all our money on Scarborough and neglect Whitby.

**583 Helen**

I have lost faith in Scarborough Borough Council, and the decisions they have made for our town. The time has surely come for Whitby to make our own decisions, instead of being treated like the poor relation!

**582 Tina**

While the local council finds way to approve and fund projects that are not for locals, they continually neglect necessary local infrastructure and local community needs - such as coastal defences in Whitby, neglecting cultural venues such as museums in favour of 'big brand' tourist attractions, and general support of local independent businesses anywhere except the main high street.

**581 John**

Scarborough council have been a biased and unfair council towards the Whitby area for years. Justice needs to be done.

**580 Allan**

SBC must be the most inefficient council in the UK

**575 Steve**

Let Whitby decide on money spent in the town

**572 Stephen**

end corruption

**563 Sam**

I have not had faith in Scarborough Borough Council for a long time.

The people of Scarborough expect a council that is open and honest and does not use bullying or illegal methods to push it's own agenda.

**561 Jo**

Constantly struggle with their plans for Scarborough ie wanting to demolish our heritage buildings and now new psop proposal is typical of their small mindedness. .

**555 Pavel**

To have the squash courts at the Leisure Village in Scarborough.

**554 Johnny**

Scarborough council are a joke, and corrupt.

**546 Gary**

Too many mistakes on too many issues to have any faith left in our so called council.

**542 Tom**

There all the same just ripping the public off

**541 Neil**

The whole council are a joke, and I'd love to know just what they do spend all the money on, because I am not seeing it here in Whitby.

**533 Rob**

its disgraceful that they have got away with alleged corruption for years

**530 Dorree**

No confidence in the appalling decisions made for my town.

**518 David**

Never had confidence in the council

**516 Leanne**

Corruption is rife

**515 Paul**

Our council repulse me I have nothing for the highest contempt for you and many of the Councillors who only care to line there own pockets

They simple dont care for voices of Scarborough if they had they pull out of this monstrous deal with Flamingland. It doesn't make economic sense 1 million price for land at a cost of 5 million for council tax payer. Many of us struggle to pay council tax and its us who will have to find money for this. Many of us can't afford to pay extra on top of what is normal yearly increase. Do you not have any conscience for Christ sake for the poorest in this area?

On top of that, us taxpayers have lent money to private company, Benchmark for the over priced, badly finished pool on North side, were we ever consulted?.

Its our money we will get saddled with a town that is badly served by central government and left us to decay. Its time Jim Dillion 100k a year and Bastiman step down before your pushed you arrogant morally repugnant men.

As for the rest of self serving Councillors lets hope many of us dont vote for you come election time. There are very few of them that actually care for the voters.

**509 Charles**

Unpopular  
Undemocratic  
Non transparent  
Inefficient  
Allegedly corrupt

**508 Paul**

This refers to an article in the Scarborough News where two residents took the council to court over parking fines....it was found that the signage was insufficient....and the fines were quashed.....this sets a precedent and could cost the rate payers a fortune.....

so that will cost the town's people yet again....because of the arrogance of the people who 'know best'....I warned the council of a copyright breach some years ago, which they chose to ignore...and landed themselves with a large bill...the trouble is most of the 'public servants' that 'run' this town are not experienced enough in the field in which they are employed, it's like having a baker to do a plumber's job.....it seems if you have a degree you are qualified to do any job.

Time and time again this council pleads poverty....this is exactly the sort of situation the recurs all too often. They close public toilets and libraries etc. in an attempt to save pennies (and cause controversy) and waste fortunes on stupidity.

**507 Mike**

We, the undersigned, wish to state that we no longer have confidence in the present Council Cabinet to manage and maintain services whilst ensuring constitutional and legal processes and procedures are observed and upheld, for and on behalf of the people of the Borough of Scarborough, North Yorkshire, UK.

**506 Sallyanne**

Corrupt

**504 Michelle**

I vote No Confidence because time and again SBC fail to listen to their Scarborough electorates...making unethical decisions regares contracts, planning and services...and shamefully poor financial mis-management of Tax-payers funds.

**501 Richard**

There have been years of unrest about the Scarborough Council, it is about time some action was taken. Continuous rumours of corruption just won't go away so let's have an independent enquiry and get to the bottom of it. Any councillors who are found to be taking bungs should be dealt with justly.

**500 Anthony**

Utter clowns!

**497 Jane**

Truly rotten borough run by morons and many self serving Councillors. Its high time we had a cull of dodgy SBC staff and career led, party led and self serving. We dont need all of these councillors and we dont need Councillors who double dip and have two bites of the cherry at our expense

**496 Steve**

This has got to stop all over this country and now

**495 Robert**

I have no confidence in the current Scarborough Borough Council. They have no interest in the wishes of the Scarborough people and instead choose to ignore them and plough on ahead regardless.

**492 Verity Graham**

Terrible council who constantly make bad decisions with tax payers money.

Derek Bastiman got away with saying vile, bigoted statements about victims of domestic violence and disclosed the whereabouts of the flats that were to be built, therefore the project could not go ahead.

**489 Russell**

British citizen currently living in Australia

**480 Rammi**

Worst council in England. Awful and clueless.

**478 KEITH**

Investigations should be carried out by a totally independent body & any illegalities found should be punished by the full force of the law. examples should be made to deter others taking advantage of their positions.

**477 Claire**

If your face fits in the council offices then your in.... whether the people decide for OR against it. Nothing but lies and back handers left right and centre.

**473 Nick**

The Council is corrupt, inept and incompetent

**469 Robert**

I have been following SBC for some time now and they have got away with things that any normal person would have been thrown in jail for.....

**467 Malcolm**

Absolutely agree we need to get rid of the current bunch of self serving Councillors.  
Save the Futurist as a starter!

**465 Simon**

Corrupt

**464 Nigel**

Sack the lot

**463 Malcolm**

no confidence

**456 Stuart**

Too many issues to mention, I have no confidence in this council at what so ever.

**454 Philip**

All councils should have independent public oversight.

The corruption stops NOW!

My email address is not to be sold or passed to third parties outside of the petition process and should never be sold for finance or favor.

**452 Iain**

I fully agree this council no longer represents the voice of the local people and community.

**445 Bridget**

Scarborough Borough Council's dismal failure to protect any part of our wonderful townscape and beautiful architecture; its total lack of imagination in thinking about how to grow and promote the town's economy; its culture of secrecy and denial and its strong whiff of corruption are manifest and apparent. Councillors of integrity and strong morals do exist but are isolated and powerless. We need a new council now.

**442 Joseph**

Looking forward to my day in court ?

**441 Janet**

It's about time! The people at the top have shown their contempt for all the people here in the UK, from the top middle classes down to the very poorest. They care nothing for any of us. They are robbing us all and leaving the vulnerable to die. Shame on them! See Common Purpose for what it is. Root it out! Bring back the rule of law - Common Law!

**437 Christopher**

The present council are not listening to the people of Scarborough and I think they take payments for giving planning permission are the council do not care about buildings

**436 Elisabeth**

your a hunch of terrorists using commercial contract administrative legal without the law.m you habe no comtract your jurisdiction is assumed based on a birth certificate not entered into with full disclosure of facts and therefore your whole outfit cartel is ab initio .. your fired

**431 Rita**

Leader given away Council public open space to developer next to my property and failed to maintain as per restrictive covenant

**429 Marcus**

There are no longer the interests of the public being served, within the council. Only moves to line the pockets of the select few, at any cost.

**425 A**

Lokk at the state they have put in the Homeless, NHS and Brexit a total mess. services sold to their friends. At the cost of trillions Â£ to taxpayers of United Kingdom.

**423 Tim**

Not happy how the council are treating the taxi industry either.monoparising it.for financial gains.

**413 Josh**

Fuck sbc! Corruption at its highest level! How do they get away with it? Oh yea cos they where a suit! Of you or I made theses decisions or acted the way they do we would be behind bars! Let's being the so called cabinet down!

**409 Lynsey**

I dont think this council does the job it should. It seems more self service than doing what the residents would like.

**407 Chris**

About time this council were investigated about the ridiculous decisions they make without full council being held.

**404 Val**

The council have an awesome reputation to uphold, of cheating, lies and corruption.

**399 Tracy**

#timeforachange

**397 Adrian**

I have no confidence at all in SBC,they have made me and my famiies lives a nightmare with a cover up concerning a vessel I owned.They have also lied and covered up the behavior of a threatening Cllr.I have complained .I am now a persistant complainant.I carnt win,with these liars .The legal department are beyond belief !!

**392 John**

It is common knowledge that SBC intend to let Whitby's East Pier extension deteriorate to the point of no return, then wash their hands on it.

**389 Tim**

Useless, feckless, incompetent fools.

**385 Valerie**

I have never heard anyone say a good word about Scarborough Borough Council. It has gone from bad to worse since Tom Fox stood down to be Mayor.

**378 Ian**

By removing plans for the promised squash courts at the new "Leisure Village" Scarborough Councillors have yet again shown they are only interested in profit and have no regard for loyal residents..They are an absolute disgrace.

**374 Joanne**

This council are not acting on our behalf, more likely making money for themselves.

**373 Mark**

Council has slowly destroyed local trade. Wants tourists then removes facilities. Park and ride is a joke. Traffic wardens everywhere. A spiral of decline.

**372 Sandy**

Sick of this town by run by Tory \*cum who take back handers. Many of these people are suppose to represent us but they only represent themselves, there are a few who sadly get tarred with same brush. Sadly I have lost faith in democracy now

**370 Mark**

Scarborough council has been corrupt for years, according to private eye it's one of the worst in the country

**369 Sally**

Definitely agree to vote of no confidence in the Cabinet

**367 Julie**

This is not a council that listens to the electorate anymore

**363 Sheena**

Scarborough is where is was born and raised. One day i will come back and i would like to know that im returning to a place where the people matter....t seems that Scarborough Council have forgotten who put them where they are and what the people expected of them...

**361 Kaye**

No confidence in them for a long time now.

**360 Pauline**

No confidence, signed.

**359 Robert**

Too many corruption accusations coming out that cannot be ignored, and cover-ups to hide or confuse the issues. The time has come for a police inquiry

**357 Dawn**

Why didn't the people of knipe point get the money from the grant for their houses, why was it in the council bank making interest? What about the Futurist fiasco? Why is Whitby allowed to fall into wrack and ruin?

**354 Malcolm**

The golden carrot brigade

**353 Tony**

No confidence at all in the corrupt council... who ever is in is lining there own pockets.

serve the people but only serve themselves.

**349 Luke**

The current council need to be brought to book for they're total failure to serve its people...the apathy is incredible...they are a disgrace..get them ALL out.!!

**337 Paul**

This council has been systematically wrong doing for many years holding meetings behind closed doors, supporting financially 2 bit companies. It's time that they became accountable!!

**326 Mervyn**

My lack of confidence specifically relates to the Council having reneged on its published plans to provide squash facilities in the new sports village regarding which I have written in detail to the local government ombudsman.

**324 Keith**

Useless.

**323 Mick**

Fed up

**317 Fredrick**

I have no confidence in Scarborough council what so ever.

**308 Dan**

There are, allegedly, well known reasons this council appears in Private Eye's Rotten Borough column so frequently. Corruption is thought to be endemic and unchecked.

**304 Karen**

When only a select few councillors are controlling all the major decisions, and they are all from the Conservative Party , that can never be a true representation of the desires of the electorate.

If at the same, time their desicions are self-serving and questionable ( that's being diplomatic ) those that have the power to remove them need to react and vote so those vile individuals are never to be seen in public office again.

**300 John**

ok

**299 Kenneth**

The people of the Uk have seen this country into a into to a corroupt Hell hole, this has to stop parasites beware we are coming for you and your children and grandchildren, we will destroy your seed.

public opinion

**291 Jane**

I used to love Scarborough and lived or worked or visited relatives there for many years. However, I decided to leave, precisely because of the appalling way the town has been mismanaged.

**288 John**

I fully support a vote of no confidence in the cabinet of scarborough borough council.

**287 Kim**

No confidence doesn't even begin to cover it.

**285 Kevin**

This needs to go through...the fundamental thing is the Town must come first ..this Council and other Councils before have made some very poor Financial and Environmental Decisions which have caused untold harm to the Residents of the Scarborough Borough

**283 Philip**

End council governance that does not accept the will of the voters to have their say heard and listened to without disdain!

**278 Lisa**

Zero confidence

**274 Andy**

Waste of space. Need people who care and not only about lining their own pockets.

**262 Roselyne**

Time to put somebody honest in place with the best interests of the public as their priority.

**165 Jonathan**

Decisions to demolish historical buildings, ie the futurist, the conservative club.... Etc

**163 Steve**

They need holding to account.

**161 Annie**

I am concerned about the destruction of many of the town's historic buildings, the town's empty shops and the lack of empathy for residents such as in the badly managed parking scheme.

**160 Karen**

**157 John**

For their inability to listen to the electorate and to perform their duties in an open manner for the best of the town they represent

**148 Geraldine**

They are so corrupt need removing and jailed

**135 Jane**

I have no faith in the council because there are not enough disabled parking spaces or other parking, nothing for youths to do, have ruined the both bay landscape with a block of flats, have given up on the futurist theatre, have allowed the new swimming pool to be run by an outside company charging ridiculous prices. There is nothing for anyone to do without it costing a fortune! Youths are bored and family's are living in poverty. Peasholme tree walk used to be amaizing when I was a child and free! Now look at it rubbish. The counsel are only interested in money making schemes

**133 Susan**

Lack of confidence in Scarborough Borough council need shaking up and fresh blood

**130 Rae**

**71 Jon**

We in Middlesbrough are experiencing the same level of incompetence or worse and as a Cllr myself I am fighting for the improvements needed.

**70 Chris**

I have a pile of evidence to support the fact SBC is rife with corruption. Process is ignored and residents are bullied and lied to on a daily basis.

**69 LINDA**

I feel SBC councillors are letting down the residents of Scarborough, not listening to the people who voted them into office. Going against all our lovely town stands for. It is not their personal opinion they are in favour of, it is the residents of this town. It all smacks of secrecy and underhandedness.

**64 Will**

Abysmal council, get them gone.

**62 Mark**

Too many allegations of corruption within Scarborough Council for it not to be true. You just have to look at the decisions that have been made on behalf of the people of Scarborough over the years to realise that the council is completely out of touch with the wishes of the people it represents. This is not to say that everyone on the council is corrupt but there seems to be a rotten core.
