Dear Mrs Lacey

**Malfeasance in public office by the Leader of the Council, Councillor Stephen Parnaby
Unjust use of the planning system by senior council officers.**

Thank you for the tentative suggestion in your letter 26 April that I should cease from making claims of inappropriate and criminal activity against named Councillors and officers.

This would indeed be problematic when **STEPHEN HUNT**, Head of Planning and his five associates get to court accused of conspiring to fraudulently withhold the, paid for, written response from the Pre Application meeting, with serious financial consequences. Or have you forgotten this?

COUNCILLOR PARNABY, Leader of the Council, having failed to provide evidence in order to refute the many allegations against him and unable to even deny them, has no reputation left to defend. It is not possible to libel someone whose reputation is already in tatters.

THE FOX OBE has been left dragging his backside full of shotgun lead with terminal injuries back to his crumbling County Hall cover and is surely looking forward to the imminent arrival of the hounds in order to bring about a swift end to his suffering.

Your continued pretence that there are no credible claims against **THE FOX OBE** are naïve in the extreme, There has been multiple disclosures of wrongdoing, **all** of which I and those close to Cllr. Parnaby know to be true , The vast majority of which everyone including yourself know to be true.

last weeks documentary proven Arvato disclosure alone is a criminal offence which you should be treating more seriously

Yours sincerely

Peter Robinson
