Dear Mr Buckley

**Malfeasance in public office by the Leader of the Council, Councillor Stephen Parnaby**

It is well over one month since my covering letter to you which accompanied my comments to your colleague 24<sup>th</sup> August 2017.

You were provided with evidence of several very serious incidents of readily provable breaches of the code of conduct by Councillor Parnaby any one of which would be too serious for you to ignore.

For simplicity I did suggest that you commenced your investigation with that identified as Item 6 whereby Cllr. Parnaby gave his friends hundreds of thousands of pounds of taxpayer's money without declaring his interest.

As this particular incident could be proved within a matter of minutes and you have already taken 40 days, since being informed, I can only assume that you have also investigated all the other misdemeanours of which I informed you.

I would therefore ask to be updated on the progress made to date and look forward to your reply at your earliest convenience.

Yours sincerely

Peter Robinson
