

[ADDRESS REDACTED]

25th May 2018

Dear Chairman

Please accept my resignation from the position of Town Councillor, effective immediately.

I have, more often than not, enjoyed my time as a Councillor especially the satisfaction of serving the electorate and being appreciated by them.

However, I now feel that this is not reciprocated by a majority on Filey Town Council and I can no longer carry on in my role.

In my tenure as a Councillor I have, I believe, served the Council and the people of Filey well. I have been Deputy Mayor/Vice Chairman, chaired committees and represented the Council on many and varied outside organisations, all in a professional manner but recent events culminating in the vote for Mayor/Chairman have made me believe that I have no future on this current Council and the only recourse is for me to resign.

Yours sincerely

J B Casey
