Chief Executive  
East Riding of Yorkshire Council  
County Hall

Dear Nigel

**Malfeasance in public office by the Leader of the Council, Councillor Stephen Parnaby  
Unjust use of the planning system by senior council officers.**

It is now well over one month since my previous letter dated 7<sup>th</sup> February 2017 on this subject and the lack of a reply or an acknowledgement would indicate that some wider distribution will be required.

With this in mind I would firstly request answers to the following Freedom of Information questions relating to Councillor Parnaby`s entries in the Register of Interests. Although I have searched this register to no avail perhaps I have missed something.

1. Has Councillor Parnaby ever registered having the use of an apartment in Menorca belonging to the Wright Group (Builders)?
2. Has he ever declared a holiday in the Channel Isles on a yacht belonging to the Wright Group?
3. Should he have registered a trip to Seattle, USA as the guest of Mr Paul Sewell of the Sewell Group (Builders and Petrol Filling Station Operators)?
4. Has he ever declared the circumstances in which he obtained a caravan from the Swift Group, given that this company does not normally deal direct to the public?
5. Has he ever declared any interest in **any** planning applications? whilst accepting that he does not sit on any planning committees he does control who does.
6. Has Councillor Parnaby ever declared an interest during negotiations relating to the disposal of any council assets?

Yours Sincerely

Peter Robinson
