Chief Executive  
East Riding of Yorkshire Council  
County Hall  
Beverley

Dear Nigel

**Malfeasance in public office by the Leader of the Council, Councillor Stephen Parnaby  
Unjust use of the planning system by senior council officers.**

Having just received your letter dated 17<sup>th</sup> March 2017 in reply to my letters of 7<sup>th</sup> February and 13<sup>th</sup> March, I am surprised that after all this time you have either failed to understand or deliberately sidestepped the point of my complaint.

Your reply concentrates on and reiterates the remark which I made regarding an inspector having to take into account the information supplied by the planning officers no matter how flawed that information was.

My letter clearly indicates in detail many incidents of wrongdoing by Cllr Parnaby and several council employees. All of which I would have thought come under your duty as chief executive to refer to the correct authority.

It is inconceivable that during the time taken to reply to my complaint you have not discussed these accusations with the people concerned. It is therefore strange that not one of the accusations has been denied.

Your final paragraph again evades the issue. It is not a question of where Cllr Parnaby's declarations of interest should be contained nor is it as you state "a matter for Cllr Parnaby what declarations he does or does not make".

I understand that you will be retiring in the next few days and of course I wish you well and would ask that you advise your successor Mrs Lacey of this matter.

Yours sincerely

Peter Robinson
