

## WORKING FOR A BETTER HUNMANBY WARD

### VILLAGE HALLS - THE LIFEBLOOD OF OUR COMMUNITIES

Godfrey, having been a very active long serving councillor for many years, is seeking a renewal of the vote of confidence you have given him in the past.

Over the years, he has pursued many issues on behalf of the residents. Not least preventing a traveller's site being established at Hunmanby, campaigning for Reighton bypass and speed limits in Muston, Reighton, Flixton and Folkton, and the traffic calming in Bridlington Street, Hunmanby.

On a Borough-wide basis, he pioneered the introduction of wheelie bins and recycling, has dealt with planning problems including the threat to build a large Wind Farm at Hunmanby and the threatened changes to the White Swan. He has worked

to tackle the ongoing problems of dog fouling and fly tipping.

He speaks up for our villages to ensure we get a fair share of resources.

Godfrey looks forward to working with Tom, an enthusiastic campaigner and activist who has worked on a number of local issues over the past couple of years, including a prominent role in the local Leave campaign in the 2016 EU Referendum.

Both candidates are looking forward to combining a mix of experience and youth to represent their Ward passionately over the next four years.

### DEFIBRILLATOR COULD SAVE A LIFE

Cllr Godfrey Allanson was very pleased to support Parish Councils when they identified the need for a defibrillator in their villages.

I believe my experience can be put to good use again in looking after your needs and aspirations, as I know we face different problems to people living in towns. I will endeavour to see wherever possible our rural areas get an equal share of the amenities and facilities available to people in the towns while preserving our rural character and beauty.

Life saving defibrillator

### COMMUNITY SPEED WATCH

Our recent survey has highlighted residents' concerns regarding speeding in the villages and inconsiderate parking. Working in conjunction with the Parish Councils and North Yorkshire Police, a number of volunteers have come forward to help monitor speed throughout the community. These volunteers will receive the training and equipment any day now. This will provide a visible deterrent to speeding drivers.

This in conjunction with the councils considerate parking initiative, will help make our communities safer and keep our footpaths clear.

## 42 MILES OF YORKSHIRE COASTLINE PROTECTED

We are pleased to see that the communities along the 42 miles of coast enjoyed by local residents will be protected by the multi-million pound projects being undertaken from Filey to Runswick Bay.

The Spa Cliff Stabilisation Project has a budget of £14 million and is progressing well.

Combined with the recent successful Heritage Lottery Fund application this means nearly £20 million will be spent ensuring the iconic South Bay can be enjoyed by many future generations.

A wonderful reward for all the efforts put in by local residents and Councillors.

42 miles of coastline protected

## News SNIPPETS

### GRANTS AWARDED TO AID VILLAGES

GODFREY ATTENDS ALL THE PARISH COUNCIL MEETINGS IN THE FOUR PARISHES IN THE HUNMANBY WARD (PREVIOUSLY CALLED THE HERTFORD WARD) WORKING WITH THE PARISH COUNCILS TO GET GRANTS FOR FUNDING SUCH THINGS AS CLEANING AND RESTORING THE WAR MEMORIAL IN MUSTON, AND HELPING FOLKTON AND FLIXTON NEGOTIATE THE PURCHASE OF THE SPORTS FIELD FROM THE BOROUGH COUNCIL TO BE RUN BY THE LOCAL COMMUNITY.

### COMMUNITY PAYBACK

LOCAL PROJECTS HAVE REALLY BENEFITED FROM THE WORK OF THE COMMUNITY PAYBACK TEAMS SUPERVISED BY THE PROBATION SERVICE. MANY USEFUL PROJECTS HAVE BEEN COMPLETED THAT COULD HAVE NOT BEEN DONE BEFORE DUE TO LACK OF MANPOWER.

## YOUR CONSERVATIVE VOICES FOR HUNMANBY, MUSTON, FOLKTON AND FLIXTON AND REIGHTON AND SPEETON
